

Finance Officer Job Description

Department: Finance
Reports to: Executive Director

General Statement of Duties

Performs complex professional and responsible managerial and administrative work in planning, organizing, and executing the financial and related activities of the Council.

Distinguishing Features of the Class

An employee in this class plans, organizes and directs the Finance Department including receiving, disbursing, and accounting of revenues and expenditures of the Council. Work involves supervision and participation in the budgeting, purchasing, accounts payable and receivable, general ledger, cash management, risk management, and payroll operations. The employee performs the specialized work in the preparation and analysis of financial reports, risk management, internal audit and budget preparation. The employee must exercise considerable independent judgement and initiative in planning and directing the fiscal control systems. Work is performed in accordance with established Council finance procedures, grant and regulatory agency requirements, and North Carolina General Statutes governing the responsibilities of government fiscal operation. Work is performed under the general supervision of the Executive Director, and is evaluated through conferences, reports, and an independent audit of financial records.
