SUCCESS STORY

ESSENTIAL SINGLE FAMILY REHABILITATION PERQUIMANS COUNTY

ESTHER BRYANT

Esther Bryant lives on a very limited income. The Perquimans County home that she resides in had rotted floors that were near collapse. Pieces of plywood were placed over holes throughout her home. Her front deck and handicap ramp were deteriorating.

The Albemarle Commission Community Development Program assisted Ms. Bryant by repairing the floor and rebuilding the deck and ramp. Ms. Bryant can now move throughout her home safely.

Ms. Bryant said the work was on point and her new floors are very beautiful.

"Thank God for this blessing. Keep doing good work for others," she said of the program.

This program is funded by a federal grant from the HOME Investment Partnerships Program from the U.S. Department of Housing and Urban Development to the North Carolina Housing Finance Agency.
